

## ERASMUS+ PROGRAMME

### Student Mobility Selection Call for Academic Year 2017-18

#### Faculty of Law

*Erasmus+ is the EU's programme to support education, training, youth and sport in Europe. 2014/2020.*

Erasmus+ gives university students the possibility of increasing educational opportunities and acquiring the necessary skills for a professional career. Erasmus+ provides students with the opportunity to study abroad for up to 12 months for each study cycle and 24 months for single cycle degrees. The period can also be split into smaller periods.

Erasmus students will receive a grant and may attend courses and use the available structures without further registration fees (in some cases small contributions may be requested as for local students). **All activities abroad (with a positive result) will be fully recognized** as long as they have been approved in the Learning Agreement/Change Form. Full recognition of activities conducted abroad is one of the commitments undertaken by Sapienza University of Rome by approving the Erasmus Policy Statement (EPS) and the "Regulation for Student Mobility and Recognition of Study Periods and Training Abroad." (D.R. Prot. n. 34218 - 13.05.2015).

During Academic Year 2017-18, students may participate in the Erasmus+ Programme at universities in European Union member states and other participating countries. These include:

- European Union member states: Austria, Belgium, Bulgaria, Cyprus, Croatia, Denmark, Estonia, Finland, France, Germany, Greece, Ireland, Latvia, Lithuania, Luxembourg, Malta, Netherlands, Poland, Portugal, United Kingdom, Czech Republic, Romania, Slovakia, Slovenia, Spain, Sweden and Hungary;
- EFTA/SEE Countries: Iceland, Liechtenstein and Norway;
- Turkey and the Republic of Macedonia (as EU candidate countries).

Moreover, students can attend a Superior Educational Institute in the Swiss Confederation (Swiss-European Mobility Programme). As Switzerland is not a member of the Programme Countries, the Swiss Federal Council will directly fund students who participate (see Art. 2 of this call).

Students can get exams only with the authorization of the Professor who teaches the chosen course in the Sapienza Law faculty. (Erasmus Law Office will give a specific form to be filled).

Students cannot make Civil Procedure Exam, Penal Procedure Exam and Administrative Procedure Exam at the receiving institution.

## C. LANGUAGE SKILLS

Adequate linguistic skills are very important for a quality experience in Erasmus+. In their Learning Agreement, students must declare an adequate command of the language skills required by the host university, unless otherwise requested.

Candidates must:

- Verify that their language skills meet the requirements of the host university as indicated in the list of destinations, unless otherwise provided;
- Check on the host university website for any extra language requirements;
- Possess the required language level upon application;

Moreover, accepted candidates must:

- Submit official documentation (i.e, IELTS, DELF, PLE etc.) certifying language skills if the host university requests such proof. Failure to comply will result in non-eligibility.
- Obtain and submit a linguistic certification of the required level, issued by an adequate structure (faculty or other) in case the host university doesn't require an official language certification.
- Self-certifications will not be evaluated during the selection process. Students with official language certificates will be given preference in case of the equal scores.

Language skills will be evaluated through linguistic certification attached to the candidacy's presentation or during the scholarship allocation's meeting.

**All students must possess the requested language skills.**

## 2. GRANTS AND FINANCIAL BENEFITS

Grants for mobility are to be considered as a contribution to the expenses of residing abroad and require participation in mobility activities.

To receive grants, students must sign the financial contract at their Erasmus+ office before leaving.

Students who **DO NOT TAKE OR PASS ANY EXAM** (language basic course doesn't count) during the study period abroad and/or who can not certify work on their thesis or research for PhDs or Masters, **will not receive the MIUR Grant**.

## **A. EU Grants**

Erasmus+ Grants for 2017-18 EU grants are based on the cost of living in the destination country. The mobility grants are based on destinations and divided into the following groups:

**Group 1 Countries** (high cost of living): Austria, Denmark, Finland, France, Ireland, Liechtenstein, Norway, Sweden, United Kingdom: **280 €/month**.

**Group 2 and 3 Countries** (average cost of living): Belgium, Croatia, Czech Republic, Cyprus, Germany, Greece, Iceland, Luxembourg, Netherlands, Portugal, Slovenia, Spain, Turkey; (low cost of living): Bulgaria, Estonia, Hungary, Latvia, Lithuania, Malta, Poland, Romania, Slovakia, former Yugoslav Republic of Macedonia: **230 €/month**.

The actual grant will be calculated on the effective days of mobility certified by the hosting university.

Erasmus grants are incompatible with grants from other programmes funded by the European Union.

If EU funds run out or students receive university or other EU grants or the student does not require funding, selected candidates may receive an “Erasmus Zero EU Grant” status that will allow him to enjoy the benefits of mobility without receiving the grant.

All Erasmus+ Grants are subject to the approval of University Erasmus proposals for Academic Year 2017-18 by the National Erasmus+ Indire Agency.

## **B. Sapienza and MIUR Funding**

Sapienza will grant a financial integration to Erasmus+ students based on the approved co-funding. Furthermore, as stated at the previous section a), students who **DO NOT TAKE OR PASS ANY EXAM** (language basic course doesn't count) during the study period abroad and/or who can not certify work on their thesis or research for PhDs or Masters, will not receive the MIUR Grant.

Details on grants allocated during previous years are available at: <http://www.uniroma1.it/erasmus/studenti-students/contributi>.

## **C. Funds for Disabled Students**

The National Indire-Erasmus+ Agency grants funding for disabled students with special needs.

Disabled students must indicate any disability on their application and acceptance forms.

Selected disabled students will receive information on funding during the year at: <http://www.uniroma1.it/erasmus/studenti-students/erasmus-studenti-diversamente-abili>.

#### **D. Funding for Students Requiring Further Financial Aid**

Students who have specific financial problems may, based on their ISEE declaration, receive further financial aid through dedicated EU and Sapienza and MIUR funding

In order to apply, students who consider to have the right of receiving this fund, have to ask for ISEE 2017 for Right to University Studies to with holding agent CAF, other qualified people, or get it by the INPS website (<http://servizi2.inps.it/servizi/Iseeriforma/home.aspx>). The ISEE data will be assessed by the university on the dedicated INPS Platform and in case the student turns out to be without any ISEE DATA 2017 for Right to University Studies, he will be not considered for the fund assignment. Specific information will be provided during the year at: <http://www.uniroma1.it/erasmus/studenti-students/contributi>

#### **E. Grants for Switzerland**

Students will receive a monthly grant in Swiss Francs (SEMP Grants) paid directly by the Swiss government, unless otherwise provided by the host university.

The amount of the grant has not been established yet. Grants featured in paragraphs a), b) and c) of this article will not be provided as grants are paid directly to students by the Swiss government.

#### **F. Taxation and Exemptions**

For further information on tax requirements and exemptions related to funding, please refer to your accountant, tax office, CAF or other appointed body.

### **3. AVAILABLE MOBILITY DESTINATIONS**

Available mobility destinations and number of available places may be subject to modifications based on the decisions of EU and national bodies regulating the programme and partner universities. Therefore, please be advised the information contained in this document is not final. Students should verify the possibility of studying abroad before applying.

Mobility periods for some destinations in the announcement may be shorter if the didactic calendar is shorter.

Moreover, for students who have already been on previous mobility periods, this reduction will be based on the number of allowed months, with a maximum of 12 and of 24 months for single cycle degrees, following authorization from the host university.

Students can ask a scholarship reduction but they have to justify his request. Anyways, the scholarship reduction doesn't permit to keep credits adaptation: students must reach 60 ECTS for a whole year scholarship or 30 ECTS for a six-months scholarship.

Students can select a maximum of 3 destinations.

The order of priority indicated in the application will determine mobility locations if a candidate is selected in more than one university.

Departure in the 1<sup>st</sup> semester is not guaranteed for destinations that indicate a deadline too close to the nomination's procedure and documents' transmission made by the Erasmus Law Office to the receiving institution.

**Students must pay attention to the language skills required by each host university in order to be able to attend courses.**

**Mobility Levels:**

1 = Undergraduate (Bachelors)

2 = Postgraduate (Masters, Single Cycle)

3 = Doctoral (Specialization School or PhD Research)

*Eventual notes to the list*

*For the mobility choice please pay attention to the language level required to attend in the hosting location. Requirements present in the table have been indicated by each partner Universities. - Enrolment to the Academic Year (it is required to have obtained at least 45 credits ECTF and to be enlisted at least to the second Academic Year)

- Ratio of the obtained credits and the number of credits needed depending on the year of enrolment (on a scale of value from 45 to 300 and, depending on the year of study, from 120 to 300)

- Vote average (from 18 to 30)

The commission will employ the indicated criteria to produce a temporary ranking of eligible students. A Temporary Ranking will be published on the faculty website: <http://www.ius-sapienza.org/drupaluni/>  
The ranking will become final if, within ten consecutive days from its publication, no appeals are presented to: <http://www.ius-sapienza.org/drupaluni/>

The Final Ranking will be published on the faculty website: <http://www.ius-sapienza.org/drupaluni/> or [www.ius-sapienza.org/drupaluni/facolta/trasparenza](http://www.ius-sapienza.org/drupaluni/facolta/trasparenza)

Accepted candidates must declare their acceptance of the mobility period within the meeting that will be held and communicate to the candidates through the announcement posted at the notice board of the office.

Note also that the participation at the meeting is required and that the absence of the candidate (or his representative with a copy of the document and signed authorization) will not allow the award of any destination among those chosen for the effect will be assigned candidates in the classroom in order of rank.

Students listed in the Final Ranking do not automatically have the right to the mobility period. The effective assignment of all mobility periods will follow the assessment of the necessary educational requirements established by each faculty and host university.

In case of equal scores, priority will be given to students who do not have previous Erasmus study or Erasmus placement/traineeship experiences.

## **6. LEARNING AGREEMENT, FINANCIAL CONTRACT AND ON-LINE LINGUISTIC SUPPORT (OLS)**

All students who agree to the assigned destination must fill out the Learning Agreement (LA).

The LA is a document that is prepared before departure and details the study programme abroad. LAs must be approved and signed by the Faculty Academic Mobility Coordinator Prof. Gianluca Scarchillo (and other representative) Marco Cosentino Il.m. and must also be signed by the student and by the destination university to ensure that credit for all exams taken abroad is recognized.

Students must fill out their LA on their personal webpage at:  
<http://151.100.101.75/pp2013/login.aspx>.

Grant eligibility and the financial contract will be signed after the final approval of the LA. The status of Erasmus student and the right to the grant are subject to the signature of the financial contract.

The host university will determine candidate eligibility based on their profile and language skills, and may request further certifications or refuse the candidate based on rules that are not described in the Faculty or University Agreement.

The European Commission requires Erasmus mobility students to take on-line language assessment tests before and after the mobility period for the following languages: Czech, Danish, Dutch, English, French, German Greek, Polish, Spanish and Swedish, except for mother tongue students on mobility in Switzerland.

The procedure for the language assessment test will be communicated directly to students. The payment of the final grant check will take place only after the student has taken this mandatory test (see note 5).

- The civil responsibility and accident insurance coverage that students have at their university is automatically extended for the entire mobility period:  
<http://www.uniroma1.it/ateneo/amministrazione/aree-e-uffici/direzione-risorse-umane-finanziarie-e-patrimoniali/area/polizze>.
